Therefore, they believe that these results completely cover the eminent domain related recoveries produced from the mid 1980' s to August 2015 by attorneys presently associated with Fixel & Willis.

The figures included in this list are based upon presently available documented verification in order to comply with any applicable Florida Bar regulations possibly affecting this list. The sources of over 90% of this documented verification are available public records and persons who are not Fixel, & Willis attorneys or its salaried employees.

¹Where sufficient documentation of initial offers is unavailable, public records showing condemning authorities' deposit into the court registry is used for the second column of this list. To the extent deposits are shown on this list, the deposits were frequently more, but never less, than initial offers.

²Effective 1/1/00, initial business damage offers must be made by business; therefore, for those post 12/31/99 representations, \$0 is used as baseline for calculation.
